

## Smart Core Reports for Students

Triand allows users to print Smart Core letters for their students in order for students and/or parents to view their individual Smart Core Report.

### Triand Users

When you log in to Triand, click on the "students" tab.

Choose the filter that meets your role – teacher, school-level, or district-level – to view a list of your students. Leave the search records box blank if you wish to print a Smart Core letter for each student; search for a specific students by name if you wish to print a letter for an individual student; or key **"enrolled:true"** in the search box to produce a list of only actively enrolled students.

**Search Records**

Find students at my school

For any grade

Click the "Smart Core Letters" button to generate an Adobe PDF file.

**Note:** Each letter will be customized with a student's name and personal authorization code to be used.

Print the PDF file and hand the appropriate letter to your students.

*The sample letter below is an example student who attends school at the "Arkansas Department of Education" district.*
